

Dear Family,

Jesus deeply loved and respected military people and their families. He commended the Roman Centurion for his great faith, saying “I have not found such great faith with anyone in Israel.” Matthew 8:10 (NASB). The Apostle Paul had similar high regard for military people, and participated in world-changing ministry while chained to his Roman guards. We also highlight the military as a strategic “deploying” organization who are key influencers of society, bearing true faith and allegiance in loyalty, fulfilling dutiful obligations, integrity, selfless servants to our nation and guardians of religious freedoms.

Our Armed Forces symbolize our country’s protective layer. Often times when individuals leave their home to serve in the military, their loved ones are left behind. Also, when veterans return home from serving, reintegrating into lives that went on without them can be challenging, while some made the ultimate sacrifice. There is a need in the hearts of God’s people; this need can be met through Bethel’s Military Ministry.

The wounds of war take several forms of critical issues, to include the spiritual and emotional disconnect. Many of our veterans experience Post-traumatic Stress Disorder (PTSD), unemployment and homelessness. The Church of Bethel’s Family is a God-ordained institution and with the assistance of our Military Ministry, we can help to begin the healing.

Through a powerful demonstration of God’s love and the power of His Word, we are able to impact lives and minister to the hearts of veterans, military members and their families through the provision of guidance, emotional healing and spiritual care.

Please join us in our fight to welcome our brothers and sisters who sacrifice their families, friends and their lives to keep Americans and our interests safe around the world.

Always in His service,

Pastor Walter August Jr.
Galatians 2:20
