2025 EDITION

FROM THE PRESIDENT/CEO, PASTOR CRAIG TAYLOR SR.

On October 17, we traveled out of the US to Togo and Nigeria, both in West Africa, and God has opened doors for ministry in Lome, Togo, and Awka, Nigeria, and most recently, Montego Bay and St. Elizabeth in Jamaica

2 BEYOND THE MISSION FIELD...

We have been blessed to pour into our seniors through amazing getaways, including Black Wall Street in Tulsa, OK, incredible shows in Branson, MO, and other memorable destinations.

3 GOD'S FAITHFULNESS

We thank God for how He has blessed us to serve faithfully on the global mission field. In Kenya Africa, our medical teams were honored to serve nearly 2,000 patients across two locations - meeting physical needs while sharing the love of Christ.

IMPACT OF BGR

Bishop Wilmore visited, and we supported their ministry with \$10,000. Our heart has always been to serve God well - and we truly believe the best is yet to come, with even greater days ahead in 2026.

**CHURCH LEADERSHIP TRAINING IN CONJUNCTION WITH
THE CHURCH AT JERSEY VILLAGE, TX**

CHURCH LEADERSHIP TRAINING

On October 21 - 22, 2025, Pastor Walter August Jr. and Pastor Dr. Averri LeMalle trained 44 church leaders. These leaders included pastors, evangelists, and orphanage staff across Kenya and Uganda. This took place in Nairobi Kenya.

THE VISION - PASTOR DR. LEMALLE

Pastor LeMalle leads The Church at Jersey Village and is deeply committed to missions. God gave him a vision to build leaders who would pour into others. That vision grew into the Church Leadership Conference for Africa.

IMPACT OF THE CONFERENCE

“We are already using the conference materials to train other church leaders in our local church.” - Sis. Lilian, Abba's Children's Home- Eagles City Church, Kenya.

IMPACT OF THE CONFERENCE

“11 people surrendered their lives to our Lord Jesus Christ after we served in the anointing from the conference” - Pastor Josephat
“We received the impartation of the grace for servanthood.” - Pastor Elijah

IMPACT OF THE CONFERENCE - PASTOR ELIJAH, GLOBAL PROVIDENCE GOSPEL NETWORK

“Praise God. ... We thank God for the divine connection at such a time as this, Nairobi's pastors' conference was very powerful and impactful. We went back home having understood, in a new way 'The purpose of the church,' setting healthy boundaries, servant hood, ... loving people unto Christ...I thank God for these deep revelations through the scriptures inspired by the Spirit of God.

The accommodations, conference venue, and meals were really good. We appreciate all who sacrificed to ensure that we got the right and conducive environment for these kingdom facilitation.

The language accent was really easy, this made the communication to flow well and enhanced our understanding...

By the grace of God, I am very ready to offer myself for the work of the ministry and do it in an excellent Way. Once again, I say thank you!”

REVEREND JONATHAN NG'ENO, WHO OVERSEES 7 DIFFERENT CHURCHES, SPEAKS...

“I want to sincerely thank our beloved brothers and servants of God, Pastor Walter August Jr and Dr. Averri LeMalle, for the wonderful lessons that they taught us. It's for the glory of God and to the churches that God had assigned us to lead and feed. In fact, personally, I have developed a new vision for the churches in my region after learning that where there is no vision, the people perish. It is my prayer that God continues to bless His servants so that they can be a blessing to us, in Kenya and Africa. God bless Bethel's Family.”

CONFERENCE COST...

This Church Leadership Conference was provided at no cost to attendees from Kenya and Uganda. Pastor August and Pastor Dr. LeMalle covered their travel, stay, meals, and training supplies, making it possible for them to experience this uplifting conference in Nairobi, Kenya.

BGR medical missions

KENYA, 2025

From May 26 to June 6, 2025, 42 BGR Missionaries joyfully served in Kenya, providing basic medical care together with the local medical teams. The two locations that were served are Eldoret and Miguta, Kenya. It was such a blessing.

Team Eldoret was led by Pastor Craig Taylor Sr. They served 789 people including adults and children.

Pastor Walter August Jr. led a team to Miguta, Kenya, where they registered 884 people, made 244 referrals to the Local Hospital for Follow-up, filled 791 prescriptions, and distributed 85 Reading Glasses.

“My transformative experience in Kenya, Africa, is truly indescribable. Serving and praying with those in need was an incredible blessing. I chose to work with the pharmacy department, and it was one of the most rewarding experiences I've ever had. I had the privilege of meeting everyone we served, and a simple smile and respectful greeting gave them hope. The Kenyan people are the most humble and appreciative individuals I've encountered. Despite language barriers, we connected on a deeper level through our eyes and hearts. They cherish the simple things we often take for granted, like education and healthcare. I'm grateful for Pastor Walter August Jr's selfless example, putting aside titles to serve others. I also had the opportunity to pray with those who desired it, and I was humbled by the number of people who asked for prayer. Overall, my unforgettable experience has left an indelible mark on my heart. “ - Dr. Ellis Artis, 2025 Kenya Mission

Children are the future of the family, church, community, and nation. We love them just like Jesus does (Mark 10:13-16)

Things like toothbrushes, toothpaste, candies, soccer balls, toys, mean so much to these precious ones.

In Miguta, teenage girls received health and hygiene education, hygiene products, and handmade bracelets.

The Safari reminded us of Genesis Chapter One. We saw all kinds of creatures, and everything that God had made is indeed very good!

Would you consider joining us on our Medical Mission to Kenya, May 24 – June 4, 2026? This is a powerful opportunity to serve, love, and make a lasting impact in communities in need—while experiencing the beauty of Kenya.

The cost is \$4,500 per person, covering round-trip airfare, local transportation, lodging, meals, Safari, and R&R accommodations. Business-class seating is \$8,500. Personal expenses are not included.

No medical degree is required—just a willing heart and hands ready to serve.

For more information, visit www.bethelsglobalreach.org or contact the BGR office at 832-548-6982. We would love to have you be part of this life-changing mission.

On October 28, 2025, Hurricane Melissa made landfall in Jamaica as a catastrophic Category 5 hurricane, tearing the island at 185mph winds and torrential rain, raising life-threatening floods. Roofs were torn, power was knocked off, and hospitals were washed away. Melissa holds the record of the strongest Atlantic storm to ever make a landfall.

Pastor Walter August Jr., who is the senior pastor of One Church at Bethel's Family, reached out to his members who are originally from Jamaica, and a connection was made with the Jamaican Community in Houston, TX. Several meetings were held with the Jamaican Honorary Consulate, Atty. Fullerton, Jamaicans in Houston, and Jamaicans in Jamaica. Pastor August pledged the support of One Church at Bethel's Family, Bethel's Heavenly Hands, and Bethel's Global Reach.

Bethel's Heavenly Hands, led by Pastor James A. Lee, loaded two trucks of 28 pallets container of essential supplies, including diapers, clothes, furniture, cleaning supplies, and another full container of 18 pallets of water and tens of bikes. According to Pastor Lee, the bikes would be a reliable means of transportation on roads that have been washed away by the hurricane. Food for the Poor from Miami FL, partnered with Bethel's Heavenly Hands to ship those containers to Jamaica.

FOOT-WASHING SERVICE ON DEC. 10, 2025

On Dec. 15, 2025, BGR missionaries arrived in Montego Bay, Jamaica. The team, led by Pastor Walter August Jr. Others are Vic Bonner Esq., Teresa Harris, Dominique Kinnard-Bing, Natalie Sims, Alfred Sterling, Elgin and Malika Ambroee (from Wheeler Ave. Baptist Church), Kemelia McKenzie and Bubbes Francis-Keane

While deliberating on what the needs of the people are, Bonner Esq. said, "Our brothers and sisters in Jamaica need everything!"

Deacon Sterling recounted the devastation as one that will take a long road to recovery. He prays that men would join in the next trips to help rebuild Jamaica.

The team also visited Black River in St. Elizabeth, where the flood rose up to six feet high. BGR will be working on sending 20 to 30 men in early 2026 to help with rebuilding individual homes.
